Concept

The aim of this program is to highlight the consequences of digitalization on a company's competitive position (Part 1). In addition, the findings should then be utilized in the context of the company's own strategic management (Part 2). In Part 1, the St. Gallen Digital Strategy Program shows how the opportunities and challenges associated with digitalization can be analysed from a company's perspective and scrutinized in the best possible way.

Once you have created a digital scenario for your own company or area of responsibility, the relevant strategies usually need to be adapted. We treat rebookings made due to a pandemic or an acute danger situation (terror, war) with great

goodwill: We waive the usual rebooking fees. Due to the extended rebooking option, the above-mentioned "free cancellation up to 3 months before the start of the seminar" does not apply. The seminar fee, if not already paid, remains due with the value date stated in the invoice.

A postponement for such reasons by St. Gallen Business School does not entitle the participant to cancel the booked seminar or program.

We recommend that you take out seminar cancellation insurance with your insurance company to cover cancellation costs due to illness and other events.

Any other damage that could be directly or indirectly related to the seminar attendance, whether from accident, illness, liability, theft, cancellation of the seminar by the organizer or damage resulting from the application of the management knowledge imparted by the participants or the company commissioned by us, must also be insured or covered.
